

90 W Led Street Light		Power consumption: 90W Power Input: AC100V- 240V Beam Angle: 120 x60
120W Led Street Light		Power Consumption: 120W Power Input:AC100V- 240V Beam Angle:120 x60
168 W Led Street Light		6pcs LED modules, each module uses 28 LED's Power consumption: 168W Power input: AC100V- 240V Beam Angle:130 x80

30W Led Stret Light		Power: 30W Number of LED's : 24 Power input: AC170V- 250V
---------------------	---	--

<p>45 W Led Street Light</p>		<p>Power: 45W  Number of LED's: 36  Power input: AC170V-250V</p>
<p>60 W Led Street Light</p>		<p>Power: 60W  Number of LED's: 48  Power input: AC170V-250V</p>
<p>90 W LED Street Light</p>		<p>Power: 90W  Number of LED's: 72  Power input: AC170V-250V</p>
<p>90W LED Street Light</p>		<p>Power: 90W  Number of LED's: 72  Power input: AC170V-250V</p>

135W LED Street Light		Power: 135W Number of LED's: 108 Power input: AC170V- 250V
-----------------------	---	--

**Benefits:**

Directional lighting reduces glare. Reduced power consumption.

Reduced maintenance cost. 50,000 hr lifetime.

No ballast required.

Works with lighting control systems.

Optional color temperatures from warm white to daylight.
