35W	384 SMD LED	2204Lm	24"x24"x1/2"
43W	480 SMD LED	2707Lm	
35W	384 SMD LED	2223Lm	12"x48"x1/2"
50W	600 SMD LED	3175Lm	
50W	576 SMD LED	3400Lm	24"x48"x1/2"

Led panel lights can be installed in a suspended ceiling, recessed into a ceiling or suspended from a ceiling while consuming 55% less energy than fluorescent lights.

3 year warranty and lifetime of 50,000 hrs. Architects and interior designers are raving about the newest LED product. At just 1/2" thick and the ability to fit within a suspended ceiling tile panel, versatility and style come together.
